

May Facility Report

In the month of May our Facility committee continued monitoring work being done to our facilities. The Perfection Group has started work on our buildings. We will continue to give updates about the work being done throughout the year.

June Facility Report

In the month of June our Facility committee continued monitoring work being done to our facilities. The HVAC has begun in the courthouse by the Perfection Group. We will continue to give updates about the work being done throughout the year.

July Facility Report

In the month of July, the wall around the courthouse has been finished by the contractor of the Perfection Group. The wall was in bad condition and has needed repaired for a while now. The Perfection Group has also said that they should be done with the HVAC install by the month of August.

August Facility Report

Much of the work has been completed by the Perfection Group but some still remains. They have finished the HVAC work with the completion of the startup to the new units complete as well. As work is being completed we will continue to make everyone aware of. As for the rest of our facilities we will continue to determine which of our building need the most attention and make the repairs that our budget will allow.

September, Facility Report

Much of the work has been completed by the Perfection Group but some still remains. As work is being completed we will continue to make everyone aware of. As for the rest of our facilities we will continue to determine which of our building need the most attention and make the repairs that our budget will allow.

October, 2018 Facility Report

In October, Road Forman Dusty Hensley continued to work on the county barn and other facilities. Dusty has made great strides cleaning up troubled areas around the solid waste area. Also we are in the middle of our energy project for many of our facilities. Judge Casey Ellis is working very hard to improve our building with energy saving. We will continue to keep you informed of the energy audit in the months to come.

November, 2018 Facility Report

Much of the Energy project has been completed but some work still remains. New windows have been ordered and will be installed in December. We have been very pleased with the progress that the Perfection Group had made during this project. It is our hopes that the investment that we made for our building will pay off.

December, 2018 Facility Report

Much of the Energy project has been completed but some work still remains. New windows have been ordered and some have been installed in the Courthouse. It is our hopes that we will see a big saving with the upgrades to our facilities. Will We have been very pleased with the progress that the Perfection Group had made during this project. It is our hopes that the investment that we made for our building will pay off.
